The Metropolitan Milwaukee Association of Commerce (MMAC) announced the winners of its 22nd annual Future 50 awards. The Future 50 awards are presented by the MMAC's Council of Small Business Executives (COSBE). The awards recognize privately-owned companies in the seven county Milwaukee region that have been in business at least three years and have shown significant revenue and employment growth.

A luncheon to honor the Future 50 award winners will be held on Thursday, Sept. 16, at the Pfister Hotel, 424 E. Wisconsin Ave. in downtown Milwaukee.

BizTimes Milwaukee is the media sponsor of the Future 50 awards.

Combined, the Future 50 award winning companies are projecting \$717 million in revenue by the end of this year, with combined employment of 4,263.

"These companies point to where our economy is headed and with a strong showing of firms in all categories, we are headed in the right direction," said Mary Steinbrecher, COSBE's executive director.
